1.PROBLEM STATEMENT

✓ *Problem StatementTraditional resumes and portfolios are limited in reach and creativity. They do not effectively showcase a person's skills, projects, and achievements to a wider audience. A digital portfolio solves this problem by providing an online, interactive, and professional platform for personal branding*

2.PROJECT OVERVIEW :

A digital portfolio is a personal website that showcases an individual's skills, projects, and achievements in an interactive way.

The purpose of this project is to create a professional-looking portfolio using HTML, CSS, and JavaScript with a modern design, background colours, and animation effects.

3.WHO ARE THE END USERS

✓Students showcasing academic achievements.

✓Job seekers applying for internships or jobs.

✓Freelancers displaying their skills and completed projects.

✓Professionals maintaining a digital identity.

4.TOOLS AND TECHNIQUES

✓Frontend: HTML, CSS, JavaScript, Bootstrap / Tailwind CSS

✓Backend (optional): PHP / Node.js / Python (Django or Flask)

✓Database (optional): MySQL / MongoDBVersion

✓Control: Git & GitHub

5.PORTFOLIO DESIGN AND LAYOUT

✓Home Page: Introduction, name, tagline

✓About Section: Short bio, education details.

✓Skills Section: Technical and soft skills with progress bars or icons.

✓Projects Section: Showcase projects with links to GitHub.

6.FEATURES AND FUNCTIONALITY

✓Project showcase with links/screenshots

✓Contact form for inquiries.

✓User-friendly and visually attractive interface.

✓Responsive design for all devices.

✓Interactive sections (hover effects, animations).

✓Easy navigation with a clean menu.

7.RESULT AND SCREENSHOT

8.CONCLUSION

✓The Digital Portfolio serves as a modern and interactive alternative to traditional resumes. It provides a structured way to showcase personal details, skills, academic qualifications, and projects in a visually appealing format. With responsive design and easy navigation, it enhances professional visibility and helps users stand out in academic, job, or freelance opportunities.
